

Karma: Discussion Topics

1. How do Buddhists account for the personal freedom to make ethical choices?
2. How do Buddhists argue that the laws of karma are not deterministic?
3. Do you agree that our actions can have moral consequences within this present lifetime?
4. “It’s impossible to know about our future rebirths so the law of karma is not acceptable.” Discuss.
5. Do the laws of karma help to give people a sense of empowerment? Or the reverse?
