

Song: You Are Enough

You are enough... need be no more

O - oh enough May you be

At home ... in your skin

There's nowhere else

To begin

Chorus

You are enough as you are

Don't need to be any more

Enough as you are

May you be 2x

At home in your skin

Feel life's joy from within

Enough as you are

Enough as you are

You are a gift to this world

And a joy to behold 2x

A treasure

Let it unfold

Just breathe 4x

Oh, be at home in your skin

There's nowhere else to begin 2x

Oh, be at home, be at home

You are enough
Need be no more
Enough
May you be at home
In your skin
There's nowhere else
To begin

You are enough 8 x

Chorus

You are enough as you are
Don't need to be any more
Enough as you are
May you be
At home in your skin
Feel life's joy from within
Enough as you are
Enough as you are

You are a gift to this world
And a joy to behold
A treasure 2x
Let it unfold

Just breathe 4 x

Oh, be at home in your skin

There's nowhere else to begin

Oh, be at home, be at home

Oh, be at home in your skin

There's nowhere else to begin

Oh, be at home, be at home
