

Song: Sky Inside

Chorus

I have a Sky inside of me

I have a Sky inside of me.

Blue as the day

And wide as the sea

Sky inside of me

Sky inside of me

Verse 1

Clouds may come and they go away

Rain may come and it doesn't stay

Nothing can ever take away this

Sky inside of me

Sky inside of me

Chorus

Verse 2

Earth may shake and open us wide

Rivers may flood with tears from our eyes

Whatever comes I can rely on the

Sky inside of me

Interlude

Chorus

Verse 3

Friends may come and friends they may go

One day I'm high, then oh so low

Something that can never go is the

Sky inside of me

Sky inside of me

Chorus
